Complaint Resolution

We are here to put things right and aim to resolve any complaints straight away for you. If we are unable to resolve your complaint immediately, your complaint will be referred to a senior manager for further investigation.

They will contact you the same day to discuss your complaint further, with the intention to put things right for you. As this may involve some investigation of the matter, we will continue to keep in regular contact with you until your complaint is resolved.

If you are still unhappy you can contact our independent dispute resolution provider – Financial Services Complaints Limited (FSCL). This service is free to you.
